10. PSTN SERVICES

10.1.6 CALLING PLANS, OTHER PLANS AND PACKAGES AND OTHER CALL TYPES

- OTHER PLANS AND PACKAGES

The following plans combine a telephone line, calling and other features.

Premium Plan

Provides a basic telephone line, unlimited local calling, unlimited national PSTN calling, a 25% discount on calls from PSTN to any two selected mobile numbers, free subscription to Favorite Country plan and one of two supplementary service packages (either calling line ID, call waiting, call transfer and conference calling; or calling line ID, hot line, do not disturb and call barring). Where not noted, calls to miscellaneous services such as mobile, international, 800 Free phone, Universal Access Number, directory inquiry, dial-up internet, etc. will be charged as per the normal telephone line (Plan A) charges as specified in sections 10, 20 and 30. Maximum call duration of 2 hours per call will apply on all calls included in the package. The minimum service period is 2 months.

Installation (waived for existing lines)

Same as for regular line

Monthly subscription, residential use

SR 99

Change of mobile numbers (to which the discount applies), per change

SR 5
